

## **Toiletries for the homeless**

OK Ladies & Gentlemen.

It's time to start collecting toiletries for the Homeless bags.  
Time to clean out your bathroom cabinets of extras.

I honestly just gave out our last one here at Department this morning!  
What a hit! and badly needed.

At our meeting next Monday, we will have a box/ tub set out for any donations that come in.

Last year we made 108 toiletry bags for the homeless, which got some of our other district auxiliaries to start doing the same thing!

We are looking for: combs, soap, shampoo, conditioner, dry shampoo, razors, Q-tips, cotton balls, deodorant, travel tissue, toothbrush & tooth paste, and anything else you think might be useful to a homeless person.

They can be travel size or regular size.

We have a box of 140 gloves that we can add too.

We will collect up through September, but will be handing them out as we go.

**Robin Piatt**
