

# VFW Department of Washington Community Service Report Guidelines

This is a step-by-Step guide to assist you in completing your Community Service Report.

ONE QUESTION: Why do we have to report these activities?

ANSWER: We are a non-profit organization and we can justify our non-profit status by reporting our activities. A copy of this report should be on file at your Post in the event you are audited.

The Community Service Report is divided into 7 areas, and each one is important and needs to be completed. Check each project that you have completed and enter the number of members, hours, miles driven and monetary value (if applicable) for each project. Use additional paper if needed.
